PRESS RELEASE

AMWC Place of Public Worship Development Application Granted

Assalamu Alaikum wa Rahmatullahi Wa Barakatuh.

Alhamdulillah! All praise and gratitude are due to Allah (SWT). This is a great blessing and a moment of immense joy for AMWC and the wider Muslim community.

We are delighted to announce that **Campbelltown City Council has granted the Development Application (DA) for the use of the Australian Muslim Welfare Centre (AMWC) premises as a Place of Public Worship.** Alhamdulillah!

This is a significant milestone in AMWC's journey and a great blessing for our organisation and the wider Muslim community. We sincerely invite all AMWC members and our community brothers and sisters to offer *Salat al-Shukr* (prayer of gratitude) and give thanks to Allah (SWT) for His immense mercy and countless blessings.

We gratefully acknowledge the dedication, hard work and support of AMWC members, Executive Committee members, the wider community, the Mayor and Councillors of Campbelltown City Council, and all the professionals who contributed to this important achievement.

May Allah (SWT) reward everyone abundantly for their sincere efforts, valuable contributions and continued support.

As we move forward, we pray that Allah (SWT) grants us the wisdom, unity and ability to maintain and manage this place of worship with the utmost respect, gratitude and responsibility, while upholding the highest standards of service to our community.

May Allah (SWT) accept our efforts and make AMWC a centre of worship, unity, peace and guidance for generations to come. Ameen.

Jazakumullahu Khairan.
